- Skin Protection: Use impervious gloves, apron and overalls.
- Respiratory Protection: Wear a basic dust respirator where dust is generated.

9. Physical and Chemical Properties

- Appearance: Powder or granular
- Odour: Negligible
- Colour: White to brown
- pH: 9 -11

10. Stability and reactivity

Product is stable at normal handling and storage conditions

11. Toxicological Information

No toxicological information is available on this product

12. Ecological Information

No ecological information is available on this product.

13. Disposal Considerations

Dispose of in accordance with local regulations.

14. Transport Information

Transport classification and labelling: Low hazard.

15. Regulatory Information

| | | |
|----------------|-----------|---|
| Hazard symbol: | | N/A |
| Risk Phrases: | | N/A |
| Safety Phrases | S22 | Do not breathe dust |
